Hi Timothy,
Sounds good. How about we tentatively plan for next Friday at 10am? Our office is in the Main Interior Building, so we can plan on a call if that would be easier than a face-to-face.

Hope the Bears Ears and Grand Staircase data collection efforts go smoothly!

Thanks,
Whitney

Hi Whitney

Thanks for corresponding - it was great meeting you as well. Below you can find my other contact information.

BLM WO staff are going to meet on this assignment tomorrow morning. I expect by end of next week I will have a good handle on Bears Ears and hopefully Grand Staircase so then I can turn my attentions to the other units and like to work with NPS sooner than later.

Maybe we can plan a meeting for next Friday tentatively?

Thanks for being patient, with BLM having the bigger load of the assignment I appreciate what our partnering agencies can do to assist.

Peace,

Timothy J Fisher, Program Lead

Hi Timothy,

Nice meeting you this morning. Are you available tomorrow or some time next week to discuss an approach to the the data call for Craters of the Moon and Grand Canyon-Parashant?

I'm pretty open most mornings, except Thursdays. Know you'll be swamped with the tight Bears Ears/Grand Staircase turnaround, so let me know what works best for you.

Thanks,
Whitney
