Hi,  
The Secretary's office is requesting a map of Nevada that shows the location of the Basin and Range and Gold Butte monuments within the state, and similarly of the Cascade Siskiyou within Oregon. They are requesting both maps be able to printed as 8.5 x 11" so they will fit in a binder. If possible, could you please email the map files back by noon tomorrow EST and we can print them on our end.

Please let me know if you have any questions,
