**Subject:** Request for formal letter of invitation to Tribal Commission

Hi Everyone,

We have made contact at BLM – Utah with the tribal commission to invite them to the Sunday session from 330 to 430. They have requested a formal invite through correspondence from the Office of the Secretary as relayed below.

Can you confirm the Dept is able to send this invite?

Please let us know if we can help in any way. Anita

**Subject:** Fwd: send invitation to these emails....

All,

I talked with Natasha this morning. She requested that the Department send an official letter and invitation to the meeting. She did mention that the memo could be brief. She explained that the Bears Ears Commission has made repeated attempts to correspond in writing with the Secretary and that there has been no response. As a matter of respect, they would like something in writing.

The letter can be emailed to the group email and individual emails below.

We have received something from the Bears Ears Coalition, but not from the Commission that I can locate. Interesting. I can follow up on that, but we'll reach out via the email address once we have the draft.
