Team Utah - Pam, Could you take a look at the final NOIs for any show stoppers today and confirm if good to go? With Pam's ok, Mike/Ryan you all are a go to update final comms materials.

I spoke with Tim and he said we have a bit more time with comms material (doesn't have to be done for surname tomorrow - if it is great, but can hold over to early next week). And Tim confirmed they have what they need for Ed's signatures.

THANK YOU, everyone! Anita

All,

The final versions of the NOI FRN's are attached to this e-mail. In addition, they may be viewed in DTS 1893 and 1894. We will begin the surnaming process first thing Friday AM. If there are any critical fatal flaws please let me know immediately. Please check for consistency with the COMM plans. Thanks, TR
