Hi,
Thanks for looking this over.

I'm cc'ing Alicia and Lee on this email message but Alicia is currently attending the NV State Leadership Team Meeting.

I'll see if I can find time to add a bit more info.

Hi Barb

I have started a cursory review and looks like we need to put in additional information and elaborate on the summaries - I know your review is not done but some pointers....

First if no information is available for 2017 (since the year is only half way through) then we should be starting with and using 2016 data and earlier. For example I know we can identify visitation prior to designation for Nevada national monuments and for Basin and Range NM have data for one year of visitation since the proclamation, etc. I know the numbers seem low - but we need to state why? Lack of counters? Where are the numbers generated?

For BRNM what are the special use permits? Types and number? AUM's Numbers? fees collected? etc... DOI is looking for details.

I hope this helps with gathering additional needed information.
