Update: What I got back from WO 410 today is that they expect that we provide at least one person for the Phoenix listening session. They would prefer the SD or ASD to determine the appropriate person(s). It's up to you and Ed to determine how many to send.

All four of us are available and willing, but it's not likely that all four need to attend.

Tim Fisher said he would pay for one person from Utah to attend using L1711 funds.

Anita-

It does appear that all four of us can go. My next question is- do you think that attendance of all four are necessary? And if so, will UTSO be paying for travel or are you comfortable with me asking Nikki for a charge code? I assume that Tyler and I would be flying down and back.

Hi Folks,

I wanted to let you know that we have been invited to participate in upcoming BIA listening sessions related to the National Monument review. Ed, Abbie and I believe that they four of you would be the right folks to participate. I'm still firming up with Nikki on the details. For the moment can you confirm if you would be available to travel to the AZ session on June 1? I'd like to ask Allison to be the POC on this so could you please respond to her and I'll loop her on discussions with Nikki.

Appreciate it and you all - have a good weekend, Anita

Hi Anita,

I'm getting more information from BIA regarding their expectations. It sounds like they are expecting bigger turnouts in CT and Portland and fewer in Phoenix and setting up panels. We may need to think about re-distributing or having someone from UT cover CT as well. I'm trying to get a list of the tribes expected at each location along with other information now from BIA and working with the front office and will send out more information soon.

HI Nikki,

Thanks for the info. Looks like we have Grand Staircase and Bears Ears in Phonix on June 1. Are we limited to a number? We've got 4 people that come to mind and I'll be talking with Ed about who we would like to send. Thanks - hope you are well! Anita

Hi all,

We have been asked to provide BLM field representatives at the upcoming BIA tribal listening sessions per the executive order regarding the Department of Interior's review of National Monuments.

Below is a table with the dates and locations and attached for your reference is a spreadsheet showing which monuments each location includes.

The Phoenix location is the largest and will cover the 16 of the 18 BLM monuments including Bears Ears.

Deb will be discussing with Ray who should attend for AZ and has offered to help coordinate with the other ASD's. We recommend a state NLCS lead, AFM/FM or monument manager.

Please let me know if you have any questions or if we need any follow up discussions.

Thanks for your help!
