Attached is a proposed schedule for Utah. I worked on this with Gov office and Hatch office. Can someone get RKZ feedback tomorrow? Caroline suggested someone on the plane could talk to him but not sure what works best.

This covers most of what he needs to do there, with the exception that we need one more meeting with supporters of the monument (besides the tribal meeting).

Major questions he needs to answer

Is he OK with the meeting schedule Sunday- especially the dinner (70 people) with outdoor industry stakeholders. If so Gov office needs to find a venue.

Is he OK with horseback riding on Tuesday rather than Monday? If so Gov office needs to reserve the horses. We can switch this up if necessary. But the schedule is tailored assuming the whole delegation comes Monday touring and then RKZ gets a smaller crew to tour around on horseback Tuesday. Also Meg suggested possibly inviting a reporter with us so question is which day do you want them to cover.

Is he OK with touring the monument two days? Or would he rather break up some of the meetings Sunday and move some to Tuesday and reduce the amount of time touring the monument. Also given the potential for California travel Thursday, this schedule assumes he will have two full days and depart Wednesday. Obviously this is subject to change.
