(b) (5) paper (Version 5) comments (4).docx

Attached is the draft of the Memorandum to the President regarding the (b) (5) National Monument.

It remains in draft format largely due to information we still need from NOAA. I have spoken with David about the Memorandum and left a copy with him.

(b) (5) ACP

My thought going forward is to identify the specific issues/questions we have of NOAA and send them to Commerce for resolution. Once we have their responses we will be in a position to assess how best to move forward on this Monument.
