Hi, Dan:

See Downey's email below. With thanks to Josh for drafting, attached is a doc pursuant to Downey's request. We thought maybe you'd want to take a look before we sent it her way. We're happy to send it along once you're comfortable.

thanks!

Hi guys-

We will need to make publically releasable one-page fact sheets based on the new units- covering objects included- as we still have a story to tell on continuing protection. This can likely largely be done off of the proclamations which is why I think this should probably be started in SOL and then have BLM UT fact check/add. Brian, Josh has been working directly with the state so I think that should continue. I know its almost Thanksgiving but the week after is going to fly by so would really appreciate a draft by Wednesday. That way I can tweak and have time to run back through you all. Let me know I can assist.

Separately I will be working on fact sheets with more of the narrative, but will include how access is being opened up etc so will need SOL help with reviewing.

Thanks. We are in the home stretch... for now!
