Here is everything - drafting form letters went faster than I anticipated. I revised item 4 - I realized I had already addressed form response in item 3.

I need to discuss this with Downey early this afternoon - any concerns? I hope the "NOTE:" on item 3 could be communicated verbally rather than in writing, but need to have it written down at least initially. I'm just now starting on the form responses. 1 and 2 would be surnamed before use; 3 would be based on those, which would be largely identical.
