Laura-

I just realized that this went to Dan's old email. Looping his new one here. Attached are my comments/edits; I haven't been able to touch base with Dan on them, but given the short timeline I wanted to make sure you got these. I'll let him weigh in as well if he has further thoughts.

I put edits in red. Most are grammar issues, but I did change the # of monuments managed by NPS to three. NPS manages Katahdin and co-manages with BLM Craters of the Moon and Grand Canyon-Parashant.
