I would like to pass this year. Too many other things in the works, we recently received this money (for Glendale), and several of the upcoming DM projects will address ADA concerns.

Allysia,

Looking at the info on the Google Drive, I'd like a recommendation for us to participate or pass on this funding opportunity.

Thank you!

Hey Moab, Monticello, St. George, Richfield, and GSENM,
I wanted to remind you guys of the accessibility report Graydon Bascom put together last year. This could help you when submitting projects for the accessibility corrective action IM **DD 8/25/17** Here is a link to the reports on a Google share drive.

Good Afternoon to All
IM 2017-097, is now online at:

<http://web.blm.gov/internal/wo-500/directives/dir-17/im2017-097.html>

Purpose: This Instruction Memorandum (IM) is a request for states to submit accessibility corrective action projects for the Fiscal Year (FY) 2018 Planning Target Allocation (PTA). The projects should be based on the need to correct or remove barriers at recreation sites or facilities to improve access for people with disabilities.
