Please proceed and limit to the extent reasonably possible the Department's litigation risk. Thank you

As Aaron notes in his email, Downey has asked for this updated information by COB today. Please let Aaron or me know if you would like to discuss.

As you know, Downey requested changes to the memo, proclamation and map and asked that they be made by COB today. To that end, attached are (1) a revised proclamation, in track changes from the previous version, (2) a new memo, in track changes from the previous version, (3) a clean copy of the memo (note that this still includes a couple of placeholders for policy input), and (4) a new map. A quick summary of the changes in response to Downey's direction:

(b)(5) ACP, AWP

thanks!
