Jack & Dan- below are some questions we've received from DOJ regarding litigation of the Cascade Siskiyou cases, along with our draft responses in bold. Wanted to run this past you before we send back to DOJ and to also note that this may come up in your discussions with DOJ management. Most substantively, we were thinking we should probably brief up this question at the same time we're briefing up the larger Western Oregon litigation (which has answer deadlines later this month).

Any thoughts?
