Re: Executive Order 13792 to Review the Designation of National Monuments
under the Antiquities Act

Dear Secretary Zinke:

On behalf of Coos County, Oregon I am writing to express my support for President Trump's Executive Order directing you to review the designation of National Monuments under the Antiquities Act since January 1, 1996. As one of the O&C Counties that receives revenue from timber harvest that occur anywhere on the O&C Lands, my county is adversely impacted by the designation and expansion of the Cascade-Siskiyou National Monument.

A review of the designation of the Cascade-Siskiyou National Monument will help restore the trust between the impacted O&C Counties and the federal government. As a member of the Association of O&C Counties I am committed to working with you and others to craft a broadly supported plan for the O&C lands in Oregon. A good first step in that process would be your careful review of the Cascade-Siskiyou National Monument designation.

Sincerely,

Robert "Bob" Main
Coos County Commissioner
