Hi Randy,

If the economists run into any questions as they're analyzing the data for the NPS monuments, feel free to direct them my way, and I'll forward them along to the appropriate person.

Thanks,
Whitney

Here is the current agenda. If anyone has anything else to add, please let me know or bring it up at the appropriate time.

National Monument Review Team Meeting

May 18, 2017 3 pm Room 6129

Call-in: (b) (5) CIP; passcode: (b) (5) CIP

Agenda

1. Introductions
2. Remarks by Downey Magallanes, Office of the Secretary
3. Native American listening sessions – Elizabeth Appel, BIA
4. New information requested (including that verbally requested at last meeting)
 - a) Any legislative language, including legislation in appropriations bills
 - b) alternative options available for protection of resources applicable at each monument, such as Native American Graves Protection and Repatriation Act,

Paleontological Resources Preservation Act, Archaeological Resources Protection Act, Historic Preservation Act and agency-specific laws and regulations.

c) designated wilderness areas (name, acreage), wilderness study areas (name if there is one, acreage, type), and/or areas managed to preserve wilderness or roadless characteristics but not formal study area. Please note if there are none in any given monument so there is no question

d) outstanding RS 2477 claims within a monument – type of road claimed and history

e) maps – details later, but please alert your map staff that requests will come, and feedback on whether your bureau or USGS is better map source

f) cultural or historical resources, particularly Tribal, located near a monument but not within the boundary that might benefit from inclusion in the monument

g) other – suggestions for potentially useful information from HQ or field staff welcome

5. Public comment update

6. Other – general questions or comments
