Hi Randy,

The NPS Lands Division is checking on this. I should hear back by tomorrow morning, and I'll let you know as soon as I do.

Thanks,

In trying to do a final check on things, I have encountered some conflicted numbers. Could you have someone do a quick check - need ASAP, not later than noon tomorrow.

At Craters of the Moon, is the acreage 737,525 or 737,700?

At Katahdin W&W, is it 87,500 or 87,503? This could just be a typo but thought I would check.
