I left for a you a paper that has 2 news articles about a lawsuit decided in March on the Large Vessel Exclusion Area for commercial fishing in American Samoa - a possible topic for this meeting. Charlene was going to scan it and send to you this afternoon.

I talked with Nik about this 2 weeks ago, and he then called the Governor and I believe the Attorney General of A/S about the issue. Its possible there is already information in the office about the case from those calls, but if not you may be able to get some background from the AS Attorney General's office. I was not on the calls and so don't know the details. I will be on leave next week, so wanted to get this to you today.

A "courtesy" meeting has been scheduled with the Secretary on Thursday, 9/7 at 10:15 am with the above. They say it is not about the monuments but we'll see.

Can you all prepare a briefing memo for the meeting? Nik you should plan to attend if you can.
