There is one monument on our list that was also on the list DAS Sullivan sent. I need to know who is the political appointee contact for this issue at DOD, and who is the staff contact. Her letter indicates a Steve Sample as contact, but it is not clear if he is the contact on the letter, or the person we would talk to re changes to the Proclamation for that monument. I can provide the monument by phone.

A copy of the Department's press release and a summary of the report and the review process is attached, both in the same document. I do not know when or if the actual report will be released.

Everyone has done a great job on this, but the process is not quite finished and we may need your assistance again before it is.
