Thanks for checking. I sent this to Nikki earlier, and likely will have some questions later today - have not gotten started on the additional material yet.

To Nikki: Nikki, one followup question - does BLM have more than one process for designating wilderness study areas, or were all done by administrative review, recommendation to the President and transmittal to Congress? I've tried to find this on your web site with no luck.

Hi Randy

Hope you had a good weekend. Hopefully you have had a chance to review the additional questions and see if there's a need for any tweaks or modifications. I have a conference call planned with the additional 18 NM's under the management of the BLM this afternoon and want to put the request with the additional documents, etc to them by 1 PM today.

Also if you have a moment and want to touch base feel free to give me a call - to see if there are other tweaks needed? Specific maps? Other clarifications?

Appreciate any clarification or specific guidance as we begin working towards this next big lift.

Peace,
