Hi Randy,

I left at your desk a tube with three hardcopy maps of Ironwood Forest, Sonoran Desert and Vermilion Cliffs that show wilderness and the monument boundaries. As we discussed, there are no WSA's in the three NM's nor wilderness in Ironwood Forest.

I'll be available if Downey needs anything else,

Could you get for Downey maps of Ironwood Forest, Sonoran Desert and Vermilion Cliffs that show wilderness and wilderness study areas. They do not need to be large maps. There are maps in the material submitted for the last 2 that show wilderness but not study areas.
