Subject: FYI - spoke with Dan Jiron and Jennifer Eberlien
Date: Thursday, June 08, 2017 5:04:13 PM

I spoke with Dan Jiron and Jennifer Eberlien about 45 minutes ago, filling them in on where we are. Dan spoke highly of you. As with Klippenstein and Clovis, he wanted both of them copied on future requests for information. I sent them the two documents, the status report reflecting all comments received and the original of the economic report since they are still working on it. Will send everyone both tomorrow once the econ report is revised.
