Colleagues -

Attached please find the "Battle Plan". These represent identified goals and objects. There is a column to be used for developing the messaging if we want to do that. This is a DRAFT. We will be filling the status over the next few days and I will circulate an updated version.

I think we should complete this review before it is sent to the COS or Secretary.

I think this is a different document than the "Top Ten" being developed. But, of course, there is overlap.

Please consider this CLOSE HOLD for now.
