Jim Cason is meeting the Bears Ears Inter-Tribal Coalition this afternoon, and he would like a large-scale map of the Bears Ears Monument and surrounding area, to be rolled out on a conference table so the Coalition members could point to areas within and near the Monument about which they are talking. The meeting starts at 1 pm, and it would be good to have the map by noon.

If you could call or email me when it is ready, I will come by and pick it up. Hopefully you can just pull one off the rack. My number is 202-219-1037.
