Thanks, Randy. Obviously, we are concerned about the additions of Katahdin and Craters. Looking forward to talking more and them on Monday. Also, the spelling of Katahdin should be corrected on your list.

Have a good weekend.

Kristen

Here is a just-issued DOI press release on the public comment process. The list of Monuments is part of the press release, but when I downloaded it I could not make the formatting work, so the list is the second attachment.

Hi Kristen,

Randy Bowman is the project lead on this. I will try to swing by your meeting but he is best to meet with. I am including him here.

It has been a long time since we met during the Bush Administration. Hope you are doing well.

I understand you are leading the implementation of the Antiquities Act review. We sent this letter to Secretary Zinke today. (attached). I would appreciate an opportunity to discuss the review as well.

Let me know if you have a moment.

Thanks-  
Kristen
