Hi Penny,
Can you please block out an hour for tomorrow afternoon for Sally, and I. We will need a call in number. The meeting will be for the National Monument Review Draft Economic Reports Review - Q&A.

Sally and I also need an hour blocked out Monday morning July 3rd to wrap up comments - meeting is just for her and I. Call in is fine.

I would suggest putting on a google drive and notifying ASDs and Monument Leads. I would suggest you set appointments on Friday to receive input and answer questions with a wrap up of you and Sally on Monday morning. On quick blush the documents look comprehensive from your original drafts.

I would also suggest you have the team start reviewing and making track changes to the documents tomorrow concurrently with the state review. You did a great job on the Bears Ears, you can attempt that process on a short turnaround.

Let's meet first thing tomorrow morning on this.

Thank you for all your leadership and work on this review process!

Chris/Peter,

We have the five draft economic reports from the Department completed for the five BLM NM's the Secretary will be visiting next month. In terms of review, how much of a distribution would you like to see? July 3 is a pretty quick turnaround so we could post on the google drive and share with the respective ASD's with a due date of noon Monday? That doesn't give you any time to approve comments submitted unless you are ok with that. We could also follow the process for Bears Ears and Sally and I could just review and provide comments.

Hi Randy,

Here are drafts of the monument write-ups for the 5 monuments that were identified as being a priority for the Secretary's travel. We would appreciate it if these could be circulated for comment.

Thanks.

Ben
