Hi Downey. I believe it was determined that you and Vincent DeVito would take this meeting for the Secretary, if possible. I know you have that red-eye flight that arrives at 7am on Monday. Could you please let me know if you're planning on coming in to the office that day? If so, would you prefer to schedule meetings in the morning or the afternoon? We're moving today's scheduling review meeting (1pm) to Monday, and I was told that you need to be in it. Thank you.

Hello sir. Could you please let me know if you're willing to take this meeting for the Secretary? We hope to have Downey Magallanes in the meeting, as well. In a separate email they stated that they "would greatly appreciate the opportunity to meet with the Secretary to discuss the Bears Ears National Monument in Utah and its impact on Energy Fuels' White Mesa Mill and Daneros uranium facilities."

Thank you.
