Downey and Kathy,

Thank you both for your time today. Attached is an updated outline with the 3 partner visits we discussed. I'll be at Main Interior tomorrow at 10:30 to walk through details with Kathy and identify any questions/logistics for attention. If possible I'd like to get the go ahead by mid-day to reach out to extend invitations so folks can plan.

Also, here are the Dept of Ag and Forest Service contacts. Both Dan and Glenn are familiar with the issues and have been out on the ground in Utah

**US Forest Service:** Glenn Casamassa, Acting Associate Chief (202-205-3171)

**Dept of Agriculture:** Dan Jiron, Acting Deputy Undersecretary for Natural Resources & Environment (NRE)

*\*Dan is on detail in the Deputy Undersecretary role - he is usually the USFS Associate Chief*

This is very comprehensive thank you. The schedule is still in flux so please let's talk before you reach out. What is your availability today to meet? Thanks.

Here are three meetings which we can plug into the schedule which I shared with you on google drive (created by Justin harding). Let me know if you didn't receive it. I am going to get some feedback from Anita and then convey to you after. Otherwise plan to hand most of this off to you all I have done my best but am no professional :)

Lets plan to talk at noon today before the call you will participate in at 1 with Utah Gov office.
