All:

Attached is the compilation for the national monuments data call, as well as notes from Christina on some verifications and adjustments. Could you (or your bureaus) please review and let us know if you have edits or questions. Thank you again for your help with this!

- Updated proclamation vs. Antiquities Act; researched and included additional designation categories for clarity
- Notated DOI and non-DOI land
- Reconciled duplicates with conflicting data points (such as differing acreage and locations)
- Converted square mileage references to acreage for consistency and for analysis
- Cleaned up references to National Parks versus National Monuments (a number of National Monuments were transferred/merged into National Parks); added notes to clarify
- Added additional columns to capture notes, and capture changes in National Monument size
- Revised "Synopsis of Values" as needed for brevity
