[WO-400 Dashboard DRAFT - August 2017.pdf](#)

Hi Sally and Janet,

Attached below is the Dashboard and At-A-Glance drafts for your review! Please let me know if you have edits or approve the documents by tomorrow morning.

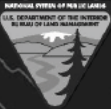

As a reminder, due to Chris's higher frequency of meetings, we've been collecting At-A-Glance reports twice per month.

Regards,

Cindy

National Conservation Lands Training Updated Monthly (Last Updated June 2017)

	Status	Contact	Start Date	ECD	Notes
National Monuments and NCA Training: Five online modules	●	Nelson	2012	Fall 2017	<p>Content development is complete. Content development is complete and all modules have been submitted to the NTC for web development. The five total modules have undergone beta testing and WO 410 review. Next steps include course piloting, posting for internal and external use, and roll out. In person training development has been paused in order to gauge effectiveness of online training material.</p> <p>Note: Updated August 2017</p>
Wilderness Study Area Training: Five online modules	●	Nelson	2012	Fall 2017	<p>Content development is complete and all modules have been submitted to the NTC for web development. Next steps: Modules have undergone NTC final review and will be submitted to a contractor for web development. Once web development is completed, there will be beta testing and final WO 410 review of completed modules, course piloting, posting for internal and external use, and roll out. In person training development has been paused in order to gauge effectiveness of online training material.</p>
Wild and Scenic River Training: Twelve online modules	●	Nelson	2012	Fall 2017	<p>One module is fully developed (content and web). Content developed for seven modules, 2 of which are in web development with the other 5 pending web development by the NTC or contractor. Next steps: finalize storyboards for four modules, interagency review, concurrent beta testing, and final WO 410 review of completed modules, course piloting, posting for internal and external use, and roll out. In person training development has been paused in order to gauge effectiveness of online training material.</p>
National Scenic and Historic Trails Training: Seven online modules	●	Nelson	2012	Fall 2017	<p>Content development is complete and all modules have been submitted to the NTC for web development. Next steps: All modules will undergo final review by the NTC then will be submitted to a contractor for web development. Web development will be followed by beta testing and final WO 410 review of completed modules (concurrent), course piloting, posting for internal and external use, and roll out. In person training development has been paused in order to gauge effectiveness of online training material.</p>

Last 30 Days

- Teachers on the Public Lands program ongoing with teachers placed in 20 BLM offices.
- Classroom Investigation: Scenic/Historic Trails at the NOC for design
- EKIP brochure in Spanish now available

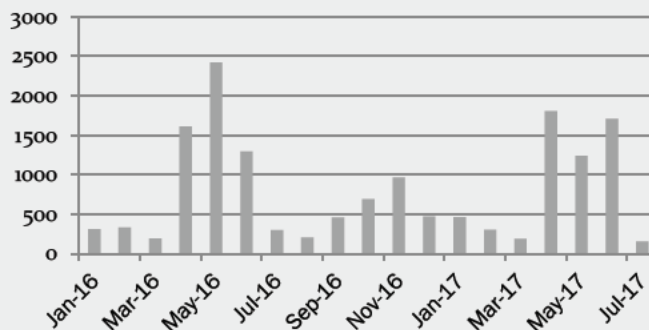

Next 30 Days

- Year 3 of EKIP launches September 1.
- Passes, brochures in English and Spanish available from PMDS

Challenges

- Development of Junior Ranger websites for all eligible field offices/sites with potential for more than 100 individual listings.
- Streamline program reporting and data collection for FY 2017.

Every Kid in a Park Passes Issued by BLM

Phase	Status	Start Date	Percent Complete	ECD	Date Complete	Notes
Streamline Reporting		Oct. 2016	50%	August 2017		WO 420 will streamline program reporting and data collection and consolidate multiple reports.

WO-410: National Conservation Lands

Trails and Rivers 50th Anniversary

- The combined Rivers and Trails Federal Leadership Team meets monthly and is comprised of BLM, USFS, NPS, and USFWS managers. The Federal Leadership Team alongside agency tribal liaisons initiated discussion on August 10 about how to engage with Tribes on the 50th anniversaries.
- Products and projects in process for the National Scenic and Historic Trails for the 50th Anniversary include:
 - A social media focus on BLM-managed sites and segments available for public visitation along the trails.
 - A middle school teaching guide led by WO-420, including excerpts of pioneer diaries that illuminate diverse views about cross-cultural interactions as emigrants traveled the trails. The guide is currently at the NOC for design.
 - Trail portal and wayfinding signage.
 - Conference and event displays; training offerings; and a communications strategy.
 - The BLM is participating in external and interagency efforts such as a trail intern mini-grant program that will be offered by the Partnership for the National Trails System, and a training workshop in coordination with Rivers.
- Products and projects in process for the Wild and Scenic Rivers (WSR) 50th Anniversary in 2018 include: a WSR 50th Toolkit, conference and event displays, fact-sheets, and a communication strategy.

National Monuments & National Conservation Areas

- Britta Nelson and Tim Fisher have completed final internal review of all five online NMs/NCAs training modules. The modules will be return to the National Training Center to complete final development. The National Monuments online training modules are anticipated to be released this fall 2017.

Wilderness

- Peter Mali, Wilderness Lead, is currently on a detail as the BLM Chief of Staff, through mid-September.
- WO-400 continues to work with NMSO on the Sabinoso Wilderness donation. In preparation for discussions with the donor, NM BLM and WO-400 are drafting a proposal where the donation would occur under Section 6 of the Wilderness Act with a "cherry-stem" along a portion of the route to maintain vehicle access. The option would be approved by the Secretary in preparation for discussions with the donor.

Wild & Scenic Rivers

- The Interagency Wild and Scenic Rivers Coordinating Council is working with USGS to show the National WSR System on USGS topo maps. The council is also working on an interagency database and map for wild and scenic study rivers.

National Scenic & Historic Trails

- On August 29 and on September 21, the Partnership for the National Trails System will host a webinar on the new Trail Intern Grants program, which was developed in partnership with the BLM, NPS, and USFS. Deb Salt will be attending.
- WO-410 completed the development of a Statement of Work to address programmatic needs for National Trail Inventory and Monitoring protocols.

Science

- On August 31st, Mara Alexander will be meeting with Citizen Science Coordinators from USGS, FWS, NPS, and BIA to continue work on creating a Citizen Science Framework that all DOI agencies can utilize when working with the public to gather data. This framework will contain guidance on monitoring and managing natural resources on public lands. It will also incorporate relevant examples of joint DOI efforts with practical guidance on how to get started, and will encourage collaboration across all bureaus by leveraging each of our bureau's different resources and mandates.
- National Conservation Lands Scientific Studies Support Program projects are underway. Final reports will be submitted by the end of calendar year 2017.
- WO-400 continues to be an active member of the BLM National Science Committee and has a role leading and supporting many of the FY17 priorities.
- Four National Conservation Lands units began work on science plans this fiscal year: Rio Grande del Norte National Monument, Grand Staircase-Escalante National Monument, Craters of the Moon National Monument and Steese National Conservation Area.

WO-420: Education, Interpretation, and Partnerships Education

- Every Kid in a Park (EKIP) Program
 - A middle school September 1, 2017 is the official launch date for Year 3 of Every Kid in a Park. Because of the Labor Day weekend, a national press release and other communications efforts will be delayed until September 6. EKIP passes and brochures, in English and Spanish, are available from PMDS. A Year 3 communications plan for EKIP will include ideas on promoting the 50th anniversaries of the Rivers and Trails Acts during EKIP events. Instructions have been provided to the field on how to properly dispose of unused Year 2 passes.
 - WO-420 provided comments to Legislative Affairs on S.1522 - the Every Kid Outdoors Act, which would institutionalize the EKIP concept and program across the agencies currently participating in EKIP. WO-420 also contributed to WO-250's legislative report on S.1522.
 - Hearings were held in the House on the Every Kid Outdoors Act and the 21st Century Conservation Service Corps Act, which resulted in a question for the

Record asking DOI agencies to provide a list of all their programs for youth. WO-420 worked with WO-400, WO-100, Legislative Affairs, and members of the DOI Youth Team to compile a response

- Junior Ranger Program
 - My Public Lands Junior Ranger “Citizen Science” is at the NOC for design and layout. The booklet, for youth ages 7-12, will be printed and available for distribution by October.
 - At the August 16th State Youth and Education Leads meeting WO-420 announced the dissolution of the Junior Ranger program as an “umbrella” for all youth education and engagement programs. Moving forward the Junior Ranger program will focus on activity books and events for youth ages 7-12. Further guidance will be provided in an updated IM and subsequent State Leads call on September 16th.
 - The Junior Ranger website and social media campaign are being updated to reflect program changes with an anticipated completion in mid-September.

Volunteers

- National Public Lands Day (NPLD) will be held on Saturday, September 30, 2017. The BLM has 268 projects at 130 sites being hosted by 83 different BLM offices. An estimated 10,000 volunteers are expected to participate. T-shirts for volunteers are in production and should be delivered to field offices that placed orders with WO-420 by early September. These volunteer recognition shirts are extremely popular and greatly appreciated by field staff and volunteers alike.
- On August 10, WO-410 and WO-420 completed a briefing paper that included a list of 10 large events that leadership can join, and two scheduling requests- one to the Acting BLM Director and one to the ASLM.

21st Century Conservation Service Corps (21CSC)/Public Lands Corps

- The BLM team (from WO-420, Office of Recruitment and Retention Programs, and the Grants Policy Program Manager) continues its work on comprehensive Public Lands Corps Program guidance, including the PLC hiring authority. The goal is to share a draft of the guidance with State Leads before the end of August.

Partnerships

- On August 22, the Office of the Solicitor surnamed the BLM’s draft Donations, Solicitation, and Fundraising Manual Section (MS-1105). Next and final steps include preparing a final version for the BLM Director’s approval.
- On August 24, WO-420 received the remainder of comments from the field and key program leads on the draft Friends Partnership Toolkit. Next steps include addressing field comments and finalizing the toolkit components, developing the webpages to host the toolkit, and preparing an IB to release it to the field in September.
