Hi Regina,

Can you send the handouts to either Ashley or to the court reporter? I'm assuming the agenda would be something similar to the Portland sessions. I'm not sure if we stuck any copies of it in the FedEx boxes we sent back from Portland. You can open up the boxes to check.

Thanks!

After some phone tag, I was never able to touch base with the third transcription service. So, I went ahead and booked Canyon State Reporting.
Do we have an agenda, or any other handouts, that we could send them?

Thanks,

Tribal Listening Session
E.O. 13792 Review of Designations Under the Antiquities Act

Office of the Assistant Secretary Indian Affairs

Why are these listening sessions being held?

In order to implement Executive Order 13792 (April 26, 2017), the Department of Interior (DOI) seeks tribal input to inform DOI's reviews of 27 National Monuments designated or expanded since 1996 under the Antiquities Act of 1906. The Secretary of Interior will use the reviews to determine whether each designation or expansion conforms to the policy stated in the Executive Order and to formulate recommendations for Presidential actions, legislative proposals, or other appropriate actions to carry out that policy.

In addition to comments at the listening sessions, written comments are being accepted until May 26, 2016, for the Bears Ears Monument, and for all other monuments until July 10, 2017. Written comments may be submitted by email to consultation@bia.gov. The Department is also accepting comments from the general public online at <http://www.regulations.gov> by entering "DOI-2017-0002" in the Search bar and clicking "Search," or by mail to Monument Review, MS-1530, U.S. Department of Interior, 1849 C Street NW, Washington, DC 20240.

What is Executive Order 13792 *Review of Designations Under the Antiquities Act*?

E.O. 13792 requires that the Secretary of the Interior review national monuments that have been designated or expanded since January 1, 1996, where the designation covers more than 100,000 acres or where the Secretary determines that the designation or expansion was made without adequate public outreach and coordination with relevant stakeholders.

In making the determinations about the monuments, the Secretary is directed to consider:

- i. the requirements and original objectives of the Antiquities Act, including the Act's requirement that reservations of land not exceed "the smallest area compatible with the proper care and management of the objects to be protected;"
- ii. whether designated lands are appropriately classified under the Act as "historic landmarks, historic and prehistoric structures, [or] other objects of historic or scientific interest;"
- iii. the effects of a designation on the available uses of designated Federal lands, including consideration of the multiple-use policy of section 102(a)(7) of the Federal Land Policy and Management Act (43 U.S.C. 1701(a)(7)), as well as the effects on the available uses of Federal lands beyond the monument boundaries;
- iv. the effects of a designation on the use and enjoyment of non-Federal lands within or beyond monument boundaries;

- v. concerns of state, tribal, and local governments affected by a designation, including the economic development and fiscal condition of affected states, tribes, and localities;
- vi. the availability of federal resources to properly manage designated areas; and
- vii. such other factors as the Secretary deems appropriate.

How will the information from the listening sessions be gathered and utilized?

- ✓ Meetings will be recorded and transcribed.
- ✓ Comments will be collected in writing.
- ✓ Copies of the transcripts will be available at www.bia.gov.
- ✓ Your comments, ideas, and suggestions will be used by DOI in its review of the 27 monument designations and the subsequent recommendations to the President.

What will happen after these listening sessions?

- ✓ Transcripts and written comments will be analyzed and recommendations reported to the Assistant Secretary – Indian Affairs and the Secretary of the Interior.
- ✓ The Secretary will provide an interim report to the President summarizing the findings of the review with respect to Proclamation 9558 (Establishment of the Bears Ears National Monument) and other monument designations the Secretary determines appropriate for inclusion and provide recommendations for such Presidential actions, legislative proposals, or other actions within 45 days of the date of the Executive Order (June 10, 2017).
- ✓ The Secretary will provide a final report to the President summarizing the findings of the review and provide recommendations for such Presidential actions, legislative proposals, or other actions within 120 days of the date of the Executive Order (August 24, 2017).

Questions to help guide the conversation:

1. Are there other monuments in addition to the 27 being currently reviewed that should also be reviewed because they were designated after January 1, 1996, without adequate public outreach and coordination with relevant stakeholders?
2. Comments on the application of the seven factors (i-vii) listed in the Executive Order 13792 that the Secretary of the Interior is to use in reviewing the 27 monument designations. Please share other factors that should be considered.

MAY 16 2017

Dear Tribal Leader:

On March 13, 2017, President Trump issued an executive order to reorganize the Executive Branch of the U.S. Government. *See* E.O. 13871, 82 Fed. Reg. 13959. The order aims to improve the efficiency, effectiveness, and accountability of Federal agencies.

As Secretary Zinke has publicly noted, the Department of the Interior (Department) has not undergone a comprehensive reorganization in approximately 100 years. To inform our implementation of this Executive Order, we would like your input on how the Department, and the Federal Government as a whole, if appropriate, could be reorganized to help streamline services to tribes and better fulfill the Federal Government's trust and treaty obligations.

I invite you to attend one of the listening sessions listed on the enclosure to provide your input. If after attending the sessions, you would like to provide written comments, please provide them to consultation@bia.gov by Saturday, July 15, 2017.

Sincerely

Michael S. Black
Acting Assistant Secretary – Indian Affairs
