Please consider this my surname for the document. I have provided revised acreage figures for 6 monuments in the chart of monuments under review; cross checked all numbers against multiple sources and went to the bureaus where there were conflicts. I also have a number of wording changes on pages 2-3 on the discussion of public comments, and a few edits elsewhere that are suggestions for clarity but not a condition of surnaming.

I added my initials to the file name to distinguish it from the original
