About the ongoing use of this database:

This spreadsheet was produced by cleaning and combining spreadsheets (or CSV files) from all the LCCs plus National.

This version derives from data gathered from the LCCs in April 2013 by Deanne DiPietro and Zhahai Stewart.

Most LCCs currently created and will at least initially maintain the data manually in spreadsheet format; a few LCCs generated the data as an export from a database system

Please do NOT make edits on this spreadsheet - because the spreadsheets or databases used by the LCCs will not reflect your changes, and your edits will be lost when the next round of data from the LCCs is aggregated into a newer version of this spreadsheet

If you notice errors or incomplete data which you would like to improve, please contact the LCC's and have them make the appropriate edits.
