I was working on a question for you from DiscoverText when your email arrived, then got distracted by a visitor. My question is - the DOI economic report on Berryessa Snow Mountain cites as a source of information a "Draft Regional Economic Contributions of National Monuments and National Conservation Areas", BLM, 2016.

We were advised in a comment about a local economic report in 2015 - "Final Report Economic Impact Analysis Berryessa Snow Mountain National Monument Designation" Prepared for: Winters Chamber of Commerce Prepared by: Economic & Planning Systems, Inc. July 2, 2015 EPS#141102/ 151093 Economic Impact Analysis Berryessa Snow Mountain National Monument Designation Final Report 07/02/15

Could you have someone check on whether your 2016 draft report used this 2015 report for the Winter Chamber of Commerce in any way?

Hi Randy!

Favor to ask - is there any way we can use the DiscoverText system set up from the review for any department driven post-review requests/actions that may be needed in order to meet some quick timelines?
