Hi Liz,

Hope you had a good weekend!

I'm checking in to see if there are any handouts for the listening sessions in Portland. If so, I would need to have them as soon as possible so that I can get them copied in time. I'd like to send them via FedEx but if not, then Regina and I will carry them with us.

Thank you.

Executive Order 13792 of April 26, 2017

### Review of Designations Under the Antiquities Act

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in recognition of the importance of the Nation's wealth of natural resources to American workers and the American economy, it is hereby ordered as follows:

**Section 1. Policy.** Designations of national monuments under the Antiquities Act of 1906, recently recodified at sections 320301 to 320303 of title 54, United States Code (the "Antiquities Act" or "Act"), have a substantial impact on the management of Federal lands and the use and enjoyment of neighboring lands. Such designations are a means of stewarding America's natural resources, protecting America's natural beauty, and preserving America's historic places. Monument designations that result from a lack of public outreach and proper coordination with State, tribal, and local officials and other relevant stakeholders may also create barriers to achieving energy independence, restrict public access to and use of Federal lands, burden State, tribal, and local governments, and otherwise curtail economic growth. Designations should be made in accordance with the requirements and original objectives of the Act and appropriately balance the protection of landmarks, structures, and objects against the appropriate use of Federal lands and the effects on surrounding lands and communities.

**Sec. 2. Review of National Monument Designations.** (a) The Secretary of the Interior (Secretary) shall conduct a review of all Presidential designations or expansions of designations under the Antiquities Act made since January 1, 1996, where the designation covers more than 100,000 acres, where the designation after expansion covers more than 100,000 acres, or where the Secretary determines that the designation or expansion was made without adequate public outreach and coordination with relevant stakeholders, to determine whether each designation or expansion conforms to the policy set forth in section 1 of this order. In making those determinations, the Secretary shall consider:

- (i) the requirements and original objectives of the Act, including the Act's requirement that reservations of land not exceed "the smallest area compatible with the proper care and management of the objects to be protected";
- (ii) whether designated lands are appropriately classified under the Act as "historic landmarks, historic and prehistoric structures, [or] other objects of historic or scientific interest";
- (iii) the effects of a designation on the available uses of designated Federal lands, including consideration of the multiple-use policy of section 102(a)(7) of the Federal Land Policy and Management Act (43 U.S.C. 1701(a)(7)), as well as the effects on the available uses of Federal lands beyond the monument boundaries;
- (iv) the effects of a designation on the use and enjoyment of non-Federal lands within or beyond monument boundaries;
- (v) concerns of State, tribal, and local governments affected by a designation, including the economic development and fiscal condition of affected States, tribes, and localities;
- (vi) the availability of Federal resources to properly manage designated areas; and

(vii) such other factors as the Secretary deems appropriate.

(b) In conducting the review described in subsection (a) of this section, the Secretary shall consult and coordinate with, as appropriate, the Secretary of Defense, the Secretary of Agriculture, the Secretary of Commerce, the Secretary of Energy, the Secretary of Homeland Security, and the heads of any other executive departments or agencies concerned with areas designated under the Act.

(c) In conducting the review described in subsection (a) of this section, the Secretary shall, as appropriate, consult and coordinate with the Governors of States affected by monument designations or other relevant officials of affected State, tribal, and local governments.

(d) Within 45 days of the date of this order, the Secretary shall provide an interim report to the President, through the Director of the Office of Management and Budget, the Assistant to the President for Economic Policy, the Assistant to the President for Domestic Policy, and the Chairman of the Council on Environmental Quality, summarizing the findings of the review described in subsection (a) of this section with respect to Proclamation 9558 of December 28, 2016 (Establishment of the Bears Ears National Monument), and such other designations as the Secretary determines to be appropriate for inclusion in the interim report. For those designations, the interim report shall include recommendations for such Presidential actions, legislative proposals, or other actions consistent with law as the Secretary may consider appropriate to carry out the policy set forth in section 1 of this order.

(e) Within 120 days of the date of this order, the Secretary shall provide a final report to the President, through the Director of the Office of Management and Budget, the Assistant to the President for Economic Policy, the Assistant to the President for Domestic Policy, and the Chairman of the Council on Environmental Quality, summarizing the findings of the review described in subsection (a) of this section. The final report shall include recommendations for such Presidential actions, legislative proposals, or other actions consistent with law as the Secretary may consider appropriate to carry out the policy set forth in section 1 of this order.

**Sec. 3. General Provisions.** (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Title 3

Executive Order 13781 of March 13, 2017

The President

### Comprehensive Plan for Reorganizing the Executive Branch

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

**Section 1. Purpose.** This order is intended to improve the efficiency, effectiveness, and accountability of the executive branch by directing the Director of the Office of Management and Budget (Director) to propose a plan to reorganize governmental functions and eliminate unnecessary agencies (as defined in section 551(1) of title 5, United States Code), components of agencies, and agency programs.

**Sec. 2. Proposed Plan to Improve the Efficiency, Effectiveness, and Accountability of Federal Agencies, Including, as Appropriate, to Eliminate or Reorganize Unnecessary or Redundant Federal Agencies.** (a) Within 180 days of the date of this order, the head of each agency shall submit to the Director a proposed plan to reorganize the agency, if appropriate, in order to improve the efficiency, effectiveness, and accountability of that agency.

(b) The Director shall publish a notice in the *Federal Register* inviting the public to suggest improvements in the organization and functioning of the executive branch and shall consider the suggestions when formulating the proposed plan described in subsection (c) of this section.

(c) Within 180 days after the closing date for the submission of suggestions pursuant to subsection (b) of this section, the Director shall submit to the President a proposed plan to reorganize the executive branch in order to improve the efficiency, effectiveness, and accountability of agencies. The proposed plan shall include recommendations for any legislation or administrative measures necessary to achieve the proposed reorganization.

(d) In developing the proposed plan described in subsection (c) of this section, the Director shall consider, in addition to any other relevant factors:

(i) whether some or all of the functions of an agency, a component, or a program are appropriate for the Federal Government or would be better left to State or local governments or to the private sector through free enterprise;

(ii) whether some or all of the functions of an agency, a component, or a program are redundant, including with those of another agency, component, or program;

(iii) whether certain administrative capabilities necessary for operating an agency, a component, or a program are redundant with those of another agency, component, or program;

(v) the costs of shutting down or merging agencies, components, or programs, including the costs of addressing the equities of affected agency staff.

(e) In developing the proposed plan described in subsection (c) of this section, the Director shall consult with the head of each agency and, consistent with applicable law, with persons or entities outside the Federal

**Sec. 3. General Provisions.** (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

Dear Tribal Leader:

On March 13, 2017, President Trump issued an executive order to reorganize the Executive Branch of the U.S. Government. *See* E.O. 13871, 82 Fed. Reg. 13959. The order aims to improve the efficiency, effectiveness, and accountability of Federal agencies.

As Secretary Zinke has publicly noted, the Department of the Interior (Department) has not undergone a comprehensive reorganization in approximately 100 years. To inform our implementation of this Executive Order, we would like your input on how the Department, and the Federal Government as a whole, if appropriate, could be reorganized to help streamline services to tribes and better fulfill the Federal Government's trust and treaty obligations.

I invite you to attend one of the listening sessions listed on the enclosure to provide your input. If after attending the sessions, you would like to provide written comments, please provide them to [consultation@bia.gov](mailto:consultation@bia.gov) by Saturday, July 15, 2017.
