Ellen- we had two last changes that are reflective in the attached document (and I coordinated these changes with Melanie). (1) what we call the "monument plan", see the comment to the summary paragraph. (2) And then the FS edits on page four- removing reference to the Manti-LaSal forest plan.

Other than that, we are good with this document.

Kathryn, Brian – Here is where we landed on BENM, given input from BLM and our team here. Please let us know what your thoughts are on this; we need to get it to our counterparts in BLM and DOI prior to a 4 p.m. call today with the Chief and acting director of the BLM.

Thank you,
Ellen
