 Subject: **Agreement of Mutual Understanding (AMU) between Agua Cero Inc. and the Government of Sinaloa regarding the proposed development of the Culiacan Water Treatment Plant (CWT) and the associated infrastructure.**  
 Dear Mr. Jose A. Lopez,  
 I am pleased to inform you that the Government of Sinaloa and Agua Cero Inc. have reached an agreement regarding the proposed development of the Culiacan Water Treatment Plant (CWT) and the associated infrastructure. This agreement is a result of the mutual understanding and cooperation between both parties.  
 The agreement outlines the following key points:  
 1. **Project Description:** The project consists of the construction and operation of the Culiacan Water Treatment Plant (CWT) and the associated infrastructure, including the intake dam, transmission lines, and distribution network.  
 2. **Ownership and Management:** The CWT and the associated infrastructure will be owned and managed by Agua Cero Inc. The Government of Sinaloa will retain ownership of the land on which the CWT and the associated infrastructure are located.  
 3. **Environmental and Social Impact Assessment (ESIA):** Agua Cero Inc. is required to conduct an ESIA for the project, in accordance with the applicable laws and regulations. The ESIA must be submitted to the Government of Sinaloa for review and approval.  
 4. **Water Rights:** Agua Cero Inc. is required to obtain the necessary water rights for the project, in accordance with the applicable laws and regulations.  
 5. **Land Use:** The land on which the CWT and the associated infrastructure are located must be used for the purpose of the project, and no other activities that may interfere with the project are allowed.  
 6. **Access and Easements:** Agua Cero Inc. is required to obtain the necessary access and easements for the project, in accordance with the applicable laws and regulations.  
 7. **Dispute Resolution:** Any disputes arising from this agreement shall be resolved through arbitration in accordance with the applicable laws and regulations.  
 8. **Term and Termination:** This agreement shall remain in effect for a period of ten (10) years, unless terminated earlier by either party.  
 9. **Signatures:** This agreement is signed by the authorized representatives of both parties.  
 10. **Attachments:** The following documents are attached to this agreement:  
 - Agreement of Mutual Understanding (AMU) between Agua Cero Inc. and the Government of Sinaloa regarding the proposed development of the Culiacan Water Treatment Plant (CWT) and the associated infrastructure.  
 - ESIA report for the project.  
 - Water rights application for the project.  
 - Land use permit for the project.  
 - Access and easement agreement for the project.  
 I am confident that this agreement will provide a solid foundation for the successful completion of the project and the provision of clean, safe water to the people of Culiacan.  
 Please do not hesitate to contact me if you have any questions or need further information.  
 Sincerely,

In mid-December we briefed State Director Amy Lueders on the WHO response and we are reviewing additional information to the memo response. We are also close to completing the GIG end-user estimate.

The holidays have slowed us down a bit but submitting this response to our office promptly remains high on the priority list.

Thanks again for keeping this on your radar

Hi Nikki,

I think this package looks good. In the initial BLM section of the Order (on page 2), I would like to request the following change:

Replace this:

"BLM's 32 million-acre National Conservation Lands System."

With this:

"BLM's 35 million-acre National Conservation Lands."

Thank you,

I see no red flags in the response/strategy. Surname is recommended from my perspective.

There may be future opportunities for us to also formulate ways to work with Tribes leading up to the 50th anniversaries of the Wild and scenic Rivers Act and National Trails System Act (2018) based on this SO; however, we are not prepared at this time to offer such an initiative in the response, given the imminent deadline. We could consider this idea as we develop our 50th strategies, as appropriate.
