Hi Randy.

As discussed if you wouldn't mind please setting up a 90 meeting next Wed with you, Kemo, Tanya, and Jeff to discuss efforts to date, including outreach efforts, aside from the public comment, and any feedback DOI has received on the marine national monuments. Would also be helpful to get an update on at least the numbers of public comments received to date and we can discuss how can start accessing them.

We can update on our efforts and also discuss 13792 product(s).

Thanks,

Michael
