Hi Gene,  
BIA is collecting tribal input to inform the review. They have asked for BLM to attend along with other agencies. We are putting together a list of BLM representatives who will attend now.

Good Morning  
I am curious as to why the BIA is having the listening sessions on EO 13792. Has or will BLM have a presence at these sessions too? And if so, who from the BLM States or WO 400 are at the listening sessions?

Thanks Nikki

In terms of the review, we received a data call to respond to Executive Order 13792 of April 26, 2017 and are working on responding to that now. The timeline for this data call is a short turnaround for all the monuments, due by June 2, 2017, with the exception for both Grand Staircase Escalate National Monument and Bears Ears National Monument which had an expedited due date of May 19, 2017.

We have also been asked to pull together a public comment review team of 6-8 people to begin going through comments. We should have that team organized for BLM by COB Wednesday if not sooner.

Please let me know if you have any other questions!

Hi Nikki  
During your coordination at the 3:00 meeting, you briefed the Team on the comments/reviews of the Order on National Monuments. You also spoke about public meetings or listening posts.

Would it be possible for you to share with me the list of meetings or listening posts? And also does WO 400 have an implementation plan for the Order - like the next steps in terms of gathering comments/responses, etc for BLM to meet the intent of the Order. I do have a copy of the Order.....

Thanks in advance  
Gene
