[New information requested on EO 13792 Monuments Review.docx](#)

Hi All:

We received a few additional questions from DOI that we need some assistance from Utah. Please see the attached list of questions and provide responses to the questions I've noted for Utah. There are a few that we (WO410) will take the lead on addressing. Please don't upload this document to the google drive folder. Just insert your responses in the attachment, one for Bears Ears and one for GSENM, and email back to me to coordinate in the WO and transmit to DOI. If at all possible, please provide the responses to these questions tomorrow (5/19).

Please let me know if you have any questions.

Thanks so much, Sally
