Hi. An AP reporter covering the NE Canyons monument contacted our NMFS PA contact asking for some information about timing regarding the review. He would like to know when the comments are expected to come down from the Secretary. Because this was a phone conversation, she did not ask for clarification on which review/EO he was referencing, but can follow up with him. He is on deadline for tomorrow noon.

If this pertains to 13792, then best to refer to DOI. Who is your PA POC?

Thanks
