Randy

I'll join you for the cab ride at 9:10 a.m. in E Street Lobby.

Thanks,

Tanya

here is the room number and directions for the meeting with NOAA tomorrow. Due to predicted heat, I plan to take a cab rather than walk. If anyone wants to join me, lets meet in the E St. lobby about 9:10 am

Betsy, I've asked about a phone. We may just call you - what is your number?

Hi Randy.

Confirming Friday 9:30-10:30 at Commerce. I have reserved our conference room- 58009. Best if you come in 15th Street entrance about 1/4-1/2 block from Constitution (facing the park), which will give you access to elevators that go right to the 5th floor in our part of the building.

Will get you final list of participants tomorrow.

Thanks much,

Michael

Thanks Randy. Will follow up.

Just finished our own tag up. A few things.

1. Do you have the names of the FWS and Insular Affairs reps you mentioned?
2. How is Friday morning for our initial joint meeting?

Thanks

Michael, I just talked with Steve Venckus of the Coast Guard about participating in the monument review process. I know him from the Alaska Energy Permitting interagency group that I also staff. It turns out the Coast Guard is interested in participating in the marine monument review, but not the terrestrial ones, so I told him I would forward his name and contact information, which are below, to you.

I am on detail to lead the National Monument review process at the staff level, and wanted to see if you could determine whether the Coast Guard would like to participate in or comment on the review of the terrestrial monuments.

NOAA is the lead for review of the marine monuments, and we will be working with them on that. I presume they will reach out to the Coast Guard directly on those monuments.
