Hi Jon and Tim,

We have been given the opportunity to do a quick review of the draft Department of Interior economic reports for Craters of the Moon and Upper Missouri River Breaks National Monuments. Although both monuments are off the list for recommending any changes, DOI still intends to release these reports at the end of the process and wants them to be as complete and accurate as possible.

If you would like to provide comments, please compile your state's comments in track changes within the attached reports and provide them on or before **Close of Business Wednesday, July 26th**. Please email your state's comments to Rachel Wootton (rwootton@blm.gov) with a copy to me (sbutts@blm.gov) and Nikki Moore (nmoore@blm.gov) as soon as you have completed your comments, so that we can get them reviewed by the deadline and submitted back to the Secretary's office. The comments are due back to the Secretary's office by Friday, July 28th.

We have blocked out Tuesday afternoon, July 18, from 4-5pm EST to answer any questions you may have. The conference line and passcode for the meeting are:

- Conference Line: (b) (5) CIP
- Passcode: (b) (5) CIP

Thank you so much for all the time and energy you and your staff have put in to make sure that we are providing DOI with the information they need. Please contact me with any questions.

Sally
