Sorry that is not clear, we had to do the FR notice in less than 24 hours and none of the reviewers, including me, caught that. Comments on Bears Ears are due prior to 11:59 pm Eastern time on May 26 to the [Regs.gov](#) site, or postmarked May 26 for mailed-in comments,

I have received a question from the ACHP regarding the deadline to comment as part of the monument review process (specifically, they're asking about commenting on Bears Ears). They asked for clarification on what is meant by comments being due "before May 26, 2017" (as stated in the Federal Register notice). Does that mean they are due COB May 25th? They emailed Randal Bowman but received an automated reply saying, essentially, see the FR notice.

Any clarification you can provide would be great. Thanks so much.
