---

Hi,

I noticed that the Period of Performance was for four months, but the license is only for 3 months on his proposal. The comment period ends on 7/10/17. How much time do you think Dr. Shulman needs, after the comment period ends to analyze the comments?

Jennifer

Hi Jennifer

I just got off the phone with Dr. Shulman. The software licenses with FWS are not transferable to the Secretary's office. They are tied to FWS exclusively and also to specific individuals. This is not unusual, other subscription services do the same thing.

Dr. Shulman had quoted 20 software licenses for the Secretary's Office. The good news is these licenses are available on a monthly basis for approx. \$100 each per month. I will need a separate PR for the software licenses because we will need to put the licenses on a separate task order.

Call me if you have any questions.

## Department of the Interior Proposal

May 10, 2017

DiscoverText is a comprehensive suite of Web-based text analysis tools. It was developed with over 10 years of National Science Foundation-funded research by leading academic experts in text analysis, linguistics, and statistics, as well as computer and social science. It replaces static text analysis tools with custom qualitative methodologies combining the best human judgments with machine learning to produce intelligent results.

### DiscoverText License

**Description:** DiscoverText Academic Enterprise and Professional licenses, including high-priority email support and cloud-hosting on Microsoft's Azure.
