I had intended to forward these to you at the time for posting to [regs.gov](https://www.regulations.gov), but apparently got distracted and I can't find anything to show that I actually sent them. Could you post these now?

Hi Randy-

Please find attached a summary compilation of the comments we received as a result of the Dear Tribal Leader letter request for comments. This compilation includes comments submitted in writing and comments made at Tribal listening sessions.

Do you know what the next steps are for review of comments? Are there any meetings of the Monument Review Team scheduled?

Thanks!
Liz
