Greetings,

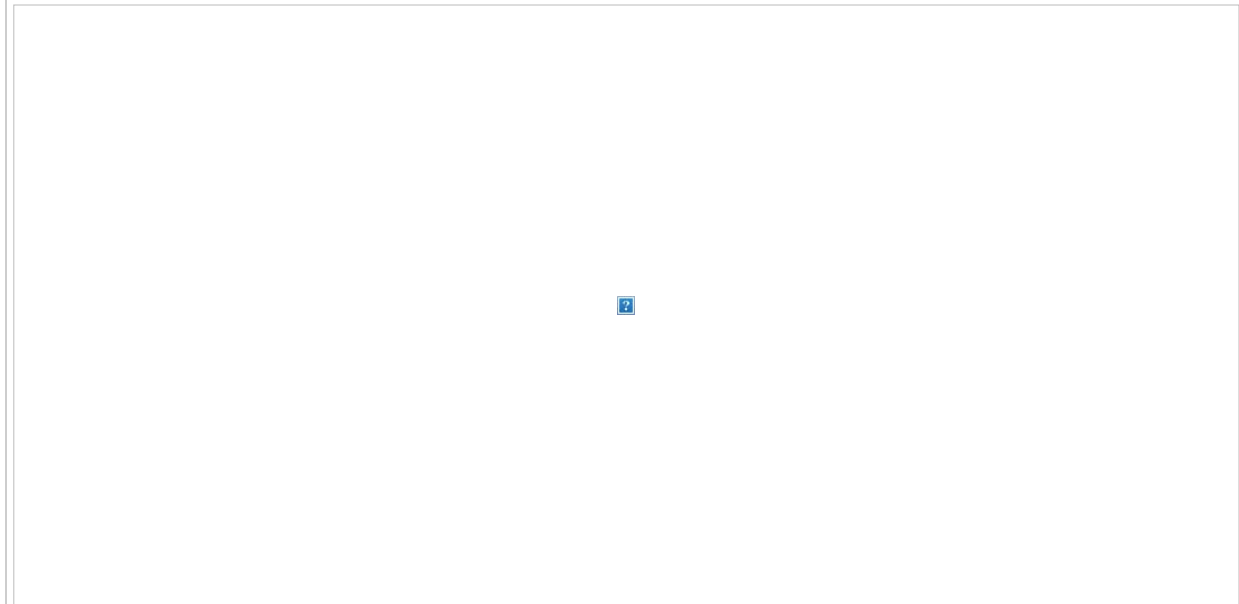

By way of an update on the National Monuments review:

- We've been asked to include information in the interim report about Grand Staircase-Escalante NM, along with Bears Ears NM
- BLM said that they are not able to provide information by Tuesday 5/16, as per our original timeline
- We have adjusted our timeline to allow BLM until Friday, 5/19 to provide this information
- We've adjusted the timing for all the subsequent tasks, keeping constant the time allowed for each task
- We're planning to send the draft final report to Randy on Tuesday 6/6
- Ann will be out of the office during the week of May 29 to June 2
- Christian will be out of the office from June 1-9

Please see below for the updated timeline and Gantt chart.

Subject: National Monuments Rev. - Data Call

Greetings,

Please find attached a draft of the call for data, outlining the documents we would like to collect, and the information we are interested in for each of the national monuments under review. The attachment includes a list of the monuments (per the DoI press release dated May 5, 2017).

We have also put together a timeline for the various phases of the interim and full reviews. Please see below for a table version, as well as a Gantt chart for each review. Please send along any questions or comments that come up.

Best regards,

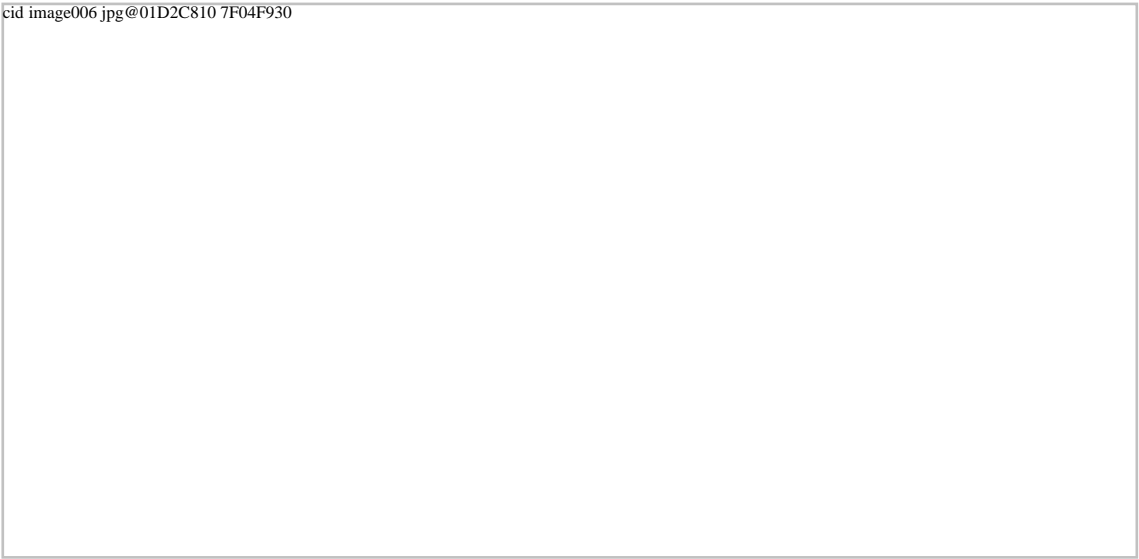

Christian
