I have just sent it on your behalf now. You can also send folks peer requests and they can send them to you to. The idea is to create an "analytic" network modeled on the "social" network principle.

Thanks,  
Stu

Francisco has not yet ( as of 5 minutes ago) received the peer request. I went down to his office when he called me that he could not go further, and there was no sign of it.

Two colleagues from OIA: Francisco Taitano and Weihao Feng (Jennifer) are willing to help code.

I can walk them through the details once you get them set up. I will also let them

know that coding will likely start up again Wednesday or Thursday.

Thanks,

Tanya
