I checked out the ones mentioned this morning - this one says they provided a large group May 25, so you might want to check that date first -

In addition to our previous submissions on May 25th, attached are additional submitted comments totaling 5,502 public commenters who have authored comments in response to President Trump's executive order on the review of designations under the Antiquities Act. The following undersigned commenters are members and supporters of the Wilderness Society that responded to the following suggested comment in support of Bears Ears National Monument and urging Secretary Zinke to leave all of our national monuments intact (individual comments varied and are attached as separate documents
