Just finished the video, the final tally I have is: 135 responses for RESCINDING the monument, 0 responses for KEEPING the monument designation. Let me know if you want a further write-up/scan of my tally sheet.

Here is the link on the video file. We need to know how many people spoke, and whether they supported changing or revoking the monument on one hand, or keeping it the same on the other.

Thank you for your help with this. Please send me the count when you have finished.
